Would both of you please confirm that you will be available at the proposed call date/time highlighted below? (I got a "Microsoft Outlook" message today that "delivery has failed" to Bob; I seem to remember having gotten such before also.)

Thanks,

Jerry

**Subject:** Solutia, Sauget, IL - Call re 2/13/14 Comments on 1/13/14 Periodic Technical Reviews

**When:** Thursday, March 13, 2014 1:00 PM-2:00 PM (UTC-06:00) Central Time (US & Canada).

**Where:**

Per my 2/14, 24, and 27 messages, the purpose of this call is to discuss, "on a high level," how Solutia will respond to the subject comments, and how long that will take, before I and Solutia's consultants expend any significant effort. Please call **Exemption 6-Personal Ph. No.** to participate.

My intent is for all of us to have another call, or possibly a face-to-face meeting in Chicago, to discuss those responses shortly after submittal.
